Parent Survey – For Year 7 Geography

We are Year 7 students at Streaky Bay Area School. We are conducting a survey to find out how many people would like more BBQ areas around Streaky Bay as part of our assignment around liveability factors in Geography. We would greatly appreciate if you could take the time and fill out our survey. **Please return to the Front Office.**

Would you like to see more BBQ areas around Streaky Bay?
If so, where would you like them?

Yes

No

Can you think of any reasons why having BBQ areas would be a problem? If so, what are they and how can we overcome them?

What would you like to have with the BBQ? (eg. chairs or tables)

Any other suggestions?

Thank you for filling out our survey.
