## 2017 School Magazine

It's that time of the year again when we need to get in our orders for the 2017 School Magazine. The Streaky Bay Area School Magazine has a wide range of items this year, including class pages, theme days, sports events and performances. All magazines will again be in full colour and continue to be high quality.

Don't miss your chance to order a magazine. This assists us in distributing them once they have arrived. Magazines will be ready for distribution by the end of Term 4.

We would also like to take this opportunity to thank our generous community members and businesses who have donated a substantial amount of money over the years so that we can keep the magazine price low for our families.

Magazines will cost \$22. All monies and the return slip must be returned to the Front Office.
