SUMMER HOLIDAY READING PROGRAM!

I would like to make parents aware of the Summer Reading Program that we have available during the holidays. Your child can sign up to the program and then come into the Library and swap their readers regularly over the holiday period. This encourages students to keep reading and to build fluency in their reading. Children can often experience a 'slide' down in reader levels over the holiday period if they aren't regularly exposed to readers at their targeted level. It is a great program to take part in and all active participants will win some house points towards their house for next year! What a great start that would be for their team!

Please return the tear-off slip to your child's teacher.
