Parents have recently been emailed with a link and survey code to access the 2018 Streaky Bay Area School Parent Opinion Survey online. We would very much appreciate if parents could complete the survey as soon as possible – it should only take a few minutes.

If you received a hard copy we would also appreciate these being posted or returned to the front office as soon as possible.

All South Australian state schools are required to survey their parents, staff and students on the performance of the school over 2018. This information will be utilised to help improve the school and its programs into the future. All responses are completely confidential.

## 2018 School Magazine

The Streaky Bay Area School Magazine has a wide range of items this year, including class pages, theme days, sports events and performances. All magazines will again be in full colour and continue to be high quality. Don't miss your chance to order a magazine. This assists us in distributing them once they have arrived. Magazines will be ready for distribution by the end of Term 4.

We would also like to take this opportunity to thank our generous community members and businesses who have donated a substantial amount of money over the years so that we can keep the magazine price low for our families. Magazines will cost \$22. All monies and the return slip must be returned to the Front Office.
