A group of enthusiastic horse riders from across the EP are riding from Cowell to Port Lincoln, via Cummins, to raise money for Mentally Fit EP. This fantastic charity is a local organisation that promotes mental fitness and wellbeing in the Eyre Peninsula community. The trek starts on March 20 and will take place across 5 days, covering over 250km.

The aim of the trek is to raise money but also to highlight the options available for accessing information on mental fitness and mental health services in our local area. We are especially keen to share our message with youth across the Eyre Peninsula. If anyone/group is interested in hosting a fundraising event please do not hesitate to contact one of our committee members for further information. Committee Members:
