2019 PARENT OPINION SURVEYS

Reminder to parents: you were recently emailed a link and survey code to access the 2019 Streaky Bay Area School Parent Opinion Survey online. We would very much appreciate if parents could complete the survey as soon as possible – it should only take a few minutes. If you received a hard copy we would also appreciate these being posted or returned to the front office as soon as possible. The survey closes **Friday 23 August**. All South Australian state schools are required to survey their parents, staff and students on the performance of the school over 2019. This information will be utilised to help improve the school and its programs into the future. All responses are completely confidential.
