COVID UPDATE

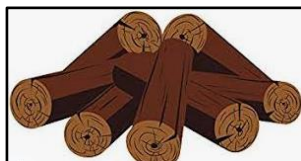

With the further relaxing of restrictions we are now permitting our Outdoor Education students to participate in their practicals further out from the school. The Community Library remains open for community members by appointment from 4.30pm to 6.30pm Tuesday and Thursday's. Evidently there continues to be a number of illnesses circulating in our community, as per SA Health recommendations, if children are ill - for parents to keep them home until they are well enough to return to school. We thank all our parents for your support in this.

COMMUNITY LIBRARY OPENING HOURS

The library is open to community users Tuesdays and Thursdays 4.30 – 6.30 pm for browsing and borrowing only. To support social distancing guidelines, Community Library users are encouraged to call to make an appointment to guarantee access.

Team Colours Day!

Friday 5 June

Swift Racing are holding team colours day. Come to school wearing your favourite team's colours and bring a gold coin donation.

The donations from the fundraiser will go towards our future trip to Adelaide to test print our car and learn new skills from Brighton High School (a former winner of the F1 in schools). F1 is a school program that is based around the construction of racing a dragster. Our team also needs to organise a pit display, portfolios, merchandise and sponsors etc. for the team.
