COVID-19 FEEDBACK

On the back of this news sheet is a parent question/feedback form that we're asking parents to provide their thoughts on the Covid-19 experience and the impact that it has had on your child's learning – we are suspecting that there will be positives, negatives and possibly questions that you still have – all are valuable information for us as we try to make further sense of the impact of Covid-19. Please return either to your child's class teacher or the front office.

Covid -19 Parent Feedback

Name (optional).....

As part of planning and possibly preparing for further Covid-19 action, we are keen to hear parent's thoughts and reflections of the impact that the Covid-19 disruption has had on families and students and their learning. There is no right or wrong comments, we are appreciative of any feedback, comments, thoughts that are circulating in parents heads given what we've all been through, particularly as it relates to children's education. We would appreciate it if you could spare a few minutes to write down some thoughts and return these either to your **child's class teacher or the front office.**
