### **STREAKY BAY DENTAL & SMILES ON EYRE PROGRAM**

Dental Care for all South Australian children is free, and we believe all South Australian children must have access to timely and ongoing regular care.

Our SOE program for all children 0-18yrs begins the week of Monday 17 August for examinations and if treatment is required we will be returning once per month between now and the end of the year, dates to follow. This program is very important for this region and for all regional and remote areas. A consent form which went home last week needs to be completed for each child participating. This is a very special program on EP as it will help us to provide data and evidence of the needs of the communities and help us to advocate for better oral health care in rural/remote regions around Australia. Help us to help you. Lyn Carman 'Smiles on Eyre' Project Manager - 0417874996, Jeanie and Streaky Bay Dental Clinic.

### **E.P. LOCAL DELIVERY DAY**

Staff and Year 10/11 students interested in studying subjects through the Eyre Secondary Alliance are invited to an information and training day to be held on:

Wednesday 12 August

From 11:00 am to 2:30 pm

Wudinna Area School, Conference Centre

During the day students will be able to meet with their teacher, learning teams and access the software platform and online tools. Lunch will be provided. Transport for the event will need to be organised by individual sites and student's school uniform is expected to be worn on the day. Please contact me for further information if your child would like to attend.

### **SAPSASA GOLF TRIALS**

This Sunday 9 August at the Streaky Bay Golf Club, for Year 6 & 7 students, 8.30am start.

### **UNIVERSITY – VIRTUAL OPENING DAYS**

Virtual Open Days for Flinders University and UniSA are running from Sunday through to next Friday, giving students the opportunity to explore career options, listen to academics, browse through over 70 video presentations, take a virtual campus tour and chat with study area experts. The online program offers three sessions each day, allowing students to attend at a time and day that fits within their timetable. Open Days is a great way for Year 12 students to finalise their SATAC preferences, and to assist Year 10 and 11 students with their subject selections for next year. I encourage you to talk to your child about registering and participating.

### **COMMUNITY LIBRARY OPENING HOURS**

The library is open to community users Tuesdays and Thursdays 4.30 – 6.30 pm for browsing and borrowing only. If you are unable to attend during these hours, please call to make other arrangements. P 86261492

### **SALA EXHIBITION – ELLIOTT'S BAKERY STREAKY BAY**

SALA stands for South Australian Living Artists, and is a month long festival within South Australia during August. This year, students from Year 8 and 9 at Streaky Bay Area School have created artworks to be displayed in Elliot's Bakery during SALA. These works were inspired by the January 2020 bushfires and reflect themes of Australian Wildlife and responses to these devastating fires. Students also looked at works reflecting these themes, created by Australian artists to inspire their individual work. The exhibition will be on display throughout August. Special thanks to Georgina and Dale Elliott for their continued support for visual arts in Streaky Bay.

### **NON CURED WOOD FOR SALE**

The school has non cured rounds for sale, ready to burn for next winter (some will need splitting). Ring the front office to express your interest on 86261202. \$120 for an approx. 2 x 2m Ute tray load delivered within a 5km radius of Streaky Bay Township.

### **KISS AND DROP ZONE**

Morning Drop Off - A reminder to families that the zone between the front gate and staff car park is a designated 'Kiss and Drop' zone. Vehicles are not to be left unattended or parked in this zone from 8.30am-9am.
