NATIONAL CAREERS WEEK

17-23 MAY 2021

Next week is National Careers Week. National Careers Week is an initiative of the Career Industry Council of Australia and aims to celebrate careers, career development, career development services, and career development practitioners. It also promotes the economic, social and personal benefits of career development.

Throughout the week senior school students will be involved in a range of career development activities. These will explore employment trends, the changing nature of work, and employability skills. Students will also participate in industry and career information sessions and visits across a range of career pathways.

Next week's newsletter will include an article from the Career Industry Council of Australia titled 'Parents as Career Supporters' offering ways you can support your child(ren) to explore future pathways.
