The Thrive Streaky Bay and Districts Committee have partnered with the Alcohol and Drug Foundation to create a Community Action Plan for our District. Thrive were successful in obtaining funding through the Alcohol and Drug Foundation to support our Communities to collaboratively build our capacity to prevent and minimise the harm caused by alcohol and other drugs.

Thrive would love to work together with our Community to identify any issues you may see within our District and create solutions and activities to minimise these issues and concerns. If you could please take the time to complete the short survey below it would be extremely helpful in assisting us to create this plan and coordinating activities for our community.
