BUSHFIRE SEASON

Streaky Bay Area School is in a 'low risk' bushfire area. This means on days of forecast catastrophic fire danger ratings, our site will **remain open**. **School buses will not operate within the Fire Ban District**. Our phone number is 08 86261202, if this number is engaged during an emergency, contact; the Department for Education Emergency Information Hotline on 1800 000 279 for current and up-to date information on bushfire emergencies. While we have an emergency and bushfire response plan for our site it is important that we are all prepared for a bushfire emergency.

BUS PARENTS

A reminder School buses will be cancelled when catastrophic bushfire weather is forecast.

If during a school day, catastrophic bushfire conditions are declared, then bus services will be cancelled in the afternoon and students will need to be either picked up from school or have alternative care arrangements made for them. These are the same arrangements that are in place for all schools with bus services. We request that bus parents please monitor the ABC weather forecast on days of high bushfire risk, particularly early in the morning of the bus run commencing in case of a late catastrophic weather declaration, or utilise the CFS website for current forecasts and information www.cfs.sa.gov.au. Please ensure your contact and emergency contact details are up to date at the school.

STREAKY BAY SCOUT GROUP NEEDS MORE HELPERS

Being a Scout Leader is a rewarding role. It is a privilege sharing in the extra learning, fun and adventure with our enthusiastic kids. The times and days are flexible and the topics and potential, can be basic or vast. Scout leaders are not experts in anything, we are just having a go. We love what Scouts offers and believe it is just as

relevant today as ever before and that it holds an important space amongst the afterschool activities available to all youth in our town. We as the current Leaders work well together but have been doing our share and more for the last few years. This last year has seen our day job commitments increase though and we still want to continue with the club, however we desperately need another person or people to come forward and take one of the sections by 31 December 2021 if we are to keep all the three age groups operating in 2022.

We are currently running fortnightly:

JOEYS 6-7 yrs (approx 10 kids now attending)

CUBS 8-10 yrs (approx 18 kids now attending)

SOUTS 11-15 yrs (approx 10 youth attending)

We need another person or people to come forward and take either a Joey or Scout group for 2022 to keep them going, otherwise, our plan is to pool all our efforts and offer one quality CUB group in Terms 1, 2 & 4 next year and possibly onwards.

Call Bec 0428579427 or Elmo 0428428923 for any enquiries at all and please consider joining our great, little but committed team. 90% of the training is over the computer and on the go and once it's done, all the possibilities are yours. What do you think, youth these days could benefit from knowing and doing? Go to your potential and make a difference.
