## FROM THE PRINCIPAL'S DESK...

I hope you and your family enjoyed the first term holiday break. Students have returned back to school and quickly settled back into their learning routines.

### Staffing

I'm sad to announce that middle school teacher, Mr Luke Chamberlain, will finish up teaching with us at the end of week 4 of this term on Friday 24 May. Mr Chamberlain has taken an opportunity to change careers and will begin work with SA Power Networks. I would like to thank Mr Chamberlain for his work with us teaching across the Middle School for the past few years. A vacancy to replace Mr Chamberlain has been placed, which is now advertised nationally on SEEK and we are engaging with a specialist recruitment company to also assist in finding a replacement middle school maths teacher. This term we welcomed SSO Jennifer Hekmeijer who is a highly experienced and skilled SSO who has agreed to work for us this term to assist with backfilling SSO's on leave. Annie and Ian Picken will be taking leave from week four of this term to travel to the UK and Europe – we wish them well with their travels,

Mel Frick will be backfilling the front office whilst Annie is on leave. We also welcome Donna Legovini as a Community Library Assistant.

Ms Jess Burge will be reducing her time by one day per week from week 5 of this term, Ms Hannah Riley will replace Ms Burge in her primary classes during this time. We welcome Ms Riley onto the staff, who also teaches at Miltaburra Area School, and has been assisting us as a temporary replacement teacher (TRT) since last year.

### Student Free Day

The Student Free Day on the first day of this term enabled our staff to work with members of the Department's Support and Inclusion team on deepening our understanding of Universal Design techniques to ensure our unit plans and learning tasks are accessible for all our learners and to further develop our skills in differentiating our learning tasks. A second student free day to continue this work is scheduled for Tuesday 12 June, the day after the Kings Birthday long weekend.

### Melinda Tankard Reist Workshops

On Thursday of last week, National Expert, Melinda Tankard Reist, and her accompanying facilitator Daniel Principe, ran workshops for girls and boys from years 5 to 12 on the dangers in the media and social media around sexploitation. They also ran a PD session for our staff and held a well-attended community session at the Sports Complex that evening. Their messages were powerful, confronting and extremely thought provoking about the influence that social media and the pornography industry is having on our children, society and the culture that we're now raising our children in. A number of resources, some online, for parents were recommended and shared, the school also purchased a range of resource books which will be available in the library. Many thanks to Pipeta (Pip) Marsh, the Thrive Streaky Bay & Districts Group and the community for their support of these events.

### WEC Survey

The annual student Wellbeing and Engagement Collection (WEC) survey is open until week 5 of this term to collect information to support the health and wellbeing of students in years 4 to 12. This is a state wide survey which informs our Education Department and our school of student needs within these areas. A

letter with more information on the survey has been sent home to all parents.

### **PAT Testing**

Our school has been given an opportunity to be involved in a trial of the new Progressive Achievement Tests (PAT) that occur in term 3 of each year. The tests have been developed by the Australian Council for Educational Research to assess skills in verbal comprehension and mathematics and the trial involves our students using a new progressive testing format, which will adjust the difficulty of the questions during the test depending on the number of correct responses, unlike the current PAT tests which have a fixed set of questions. This new progressive testing format is similar to the new NAPLAN tests. The trial will occur this term, providing our staff with immediate results which will be able to be compared against student NAPLAN results. The scheduled term 3 PAT tests will not be required to be taken by schools involved in the PAT trial this term.

### **Country Cabinet**

Today and Friday the SA Government is conducting its Country Cabinet in Port Lincoln. The Eyre Peninsula Area and High School Principals are meeting in Port Lincoln to discuss EP Secondary Alliance business and meet with the Department's Chief Executive, Prof. Martin Westwell, where they will present their strategic plan for the EP secondary schools. Principals will also attend the Country Cabinet Open Forum at Port Lincoln High School on Thursday night with an aim to highlight the needs of our EP schools.

### **ANZAC Day**

School Captains, Ava Brace and Ryan Brougham, represented the Streaky Bay Area School at the Anzac Day memorial service and laid a wreath in honour of our servicemen and women.

*Regards,  
Chris Roberts,  
Principal*

## **SUPERVISION AT SCHOOL**

Families are reminded that children are not to be on school ground prior to 8.30am. Staff supervision does not commence until this time.

## STUDENT ABSENCES

If your child/children are absent from school it is an Education Department requirement to have parent/guardians provide the school with a reason unless a student exemption form has been granted prior to the absence. It would be appreciated if parent/guardians could notify the school by either phone or make a note in the diary, to reduce the calls being made each day regarding student absences.

## BREAKFAST CLUB

### **Thursdays is our regular menu plus some homemade options.**

Some items have been removed from the menu that were either not popular, not cost effective or too fiddly (if your child will miss it let me know & I will do my best to add it to next terms menu).

Every now & then we will have a special Wednesday pop up day with a special on, depending on when I can get a volunteer to help cater for this - if you can volunteer 3-4 hours of your time once per year please get in touch, the kids & myself will appreciate it (I will try & give a few weeks' notice for these days:).

Don't forget we have lots of snacks in the canteen ranging from 20c +.

Thank you,  
Naomi

# Wellbeing and Engagement Collection survey

Dear Parent/Guardian

## Re: Wellbeing and Engagement Collection survey

Our students have been invited to take part in the Wellbeing and Engagement Collection survey. The survey will be open in weeks 2 to 5 of term 2 (Monday 6 May to Friday 31 May 2024).

### Purpose of the survey

Young people's wellbeing is an important part of how they learn at school. The survey seeks students' views about their wellbeing and their engagement with school. Students in years 4 to 12 across the state will be invited to participate and the information collected will help the education system and broader community to support young people's health and wellbeing.

### What is the survey about?

The survey asks students about their social and emotional wellbeing, school relationships, engagement and learning in school, physical health and wellbeing and after school activities.

### How will students complete the survey?

Teachers will arrange for students to do the survey during class time. They will be asked if they would like to participate and are free to withdraw at any time. ***If you do not want your child to participate, please contact the school as soon as possible after receiving this letter.***

### Will students' information be kept confidential?

Students' personal information and identity will remain anonymous. Survey responses are confidential and no one (including school staff) can use the results to identify individual students. Participating schools with fewer than 5 students undertaking the survey will not receive a report of results, to protect the confidentiality of students.

### What will happen if a student is distressed during or after the survey?

The survey includes some questions on topics such as student happiness and bullying.

Teachers will inform students that:

- if they find the survey uncomfortable or distressing, they should leave the survey immediately
- it is not compulsory to take part in the survey as a whole
- Students can skip individual survey questions if they wish.

Students who would like to speak to an adult about any concerns they may have will be supported to do so.

### Where can I get more information?

More information on the Wellbeing and Engagement Collection can be found at [www.education.sa.gov.au](http://www.education.sa.gov.au) (search: wec) or can be collected from the school. For questions or concerns, or to view the questions, please email [Education.WECSA@sa.gov.au](mailto:Education.WECSA@sa.gov.au)

Yours Sincerely,

PRINCIPAL

On Friday 10 May 2024, Streaky Bay Area School will be taking part in National Walk Safely to School Day.

Now in its 24<sup>th</sup> year, the annual campaign encourages all school children, their parents and carers to walk safely and regularly to school.

On National Walk Safely to School Day, we would like to see as many families as possible leaving the car at home or some distance from school and giving walking, riding, skating or scooting a go. You might find it is quicker, easier and more fun than you thought. If your child already walks or wheels to school then we would like to take this opportunity to thank you and celebrate your child's efforts on event day.

Streaky Bay Area School will be celebrating National Walk Safely to School Day by, awarding points to the house team of each student and family members who participate. Bonus points will also be given out if you make the journey in your favorite team colours, loud shirt or by wearing odd socks!

On the morning of the 10 May we have some designated meeting points and times if you want to join others including staff from the school for the event. All departure points are listed below.

| Meeting Points                                                   | Departure times |
|------------------------------------------------------------------|-----------------|
| R.S.L Hall                                                       | 8:15am          |
| Streaky Bay Dragon Boat Club                                     | 8:15am          |
| Corner of Back Beach Road and Gibson Way<br>(West of the school) | 8:15am          |

Please contact your child's class teacher if you require further information. We look forward to your involvement on the day.

## SENIOR SCHOOL NEWS

As we delve into Term 2, I would like to share some great opportunities awaiting our senior school students. From July 4th to 6th, our Year 10s will be attending the Career Expo in Port Lincoln, an invaluable opportunity for exploring diverse career pathways. Meanwhile, our Year 11s will embark on a career-focused trip to Adelaide during the last week of Term 3, broadening their horizons about choices. Moreover, past students will again address our sub-school, offering invaluable insights into post-school options and pathways. Their experiences will undoubtedly inspire and guide our students as they navigate their own journeys beyond the classroom.

Additionally, this term, the Elevate Education will attend our school and equip our students with essential study techniques and exam preparation strategies, and provide further skills to ensure they approach assessments with confidence and proficiency.

Finally, for our Year 12 cohort, discussions on life after school are paramount and have begun in extended learning exploring accommodation, sharing with others, life skills, money, education and employment and legal issues. I'm committed to providing support to this year level as they transition into the next chapter of their lives.

*Warm regards,

# PRIMARY SCHOOL NEWS

Welcome back everyone to Term 2!

The term has started well with all classes getting stuck into their learning, as well as students trying out for SAPSASA Boys Football and training for the Tcharkuldu Rock run later this term.

On Monday we are looking forward to welcoming some significant women in our student's lives into the Primary School for our Women in STEM morning.

Here is a selection of Art that was completed last term in the Primary School.

# Adelaide Children's University

## Passport of Learning

After a hugely successful pilot year last year, the Passport of Learning program will be running again this year.

### WHAT IS THE PASSPORT OF LEARNING?

It's free-range learning activities outside your day-to-day schoolwork, whether that be before school, lunchtime, after school, or during school holidays.

The best part about Children's University is that it's voluntary, so you get to choose which activities you would like to participate in, where, when, and how you would like to engage in them.

The subjects you learn about will always be connected to potential areas of further study once you finish high school.

Every participating student is recognised and rewarded with a graduation ceremony and certificate, instilling a true sense of pride in their accomplishments.

Students in year 3 to 6 wishing to join in 2024, need to use the QR Code below to register online and pay the \$5.00 membership directly to the school front office by **Friday week 3, 17<sup>th</sup> May 2024**

*Please note, the online form includes a link to download a hard copy of the membership form if members prefer. These can be filled in and submitted to Coordinators who can then forward to CU via email.*

INFORMATION FOR CUSTOMERS

## Australian Government Mobile Service Centres

If you live in a rural area, you may need to travel greater distances to access government payments and services. To make it easier for you to access these services, we're bringing them to you and your community.

Mobile Service Centres travel extensively throughout rural and regional Australia and also to disaster affected areas to provide help and support.

Staff from Services Australia travel with the Mobile Service Centres and can help you with Centrelink and Medicare payments and services. Our Mobile Service Centres also have disabled access.

Information about Department of Veterans' Affairs programs and support services for veterans and their families will also be available.

Wi-Fi is available for visitors to the Mobile Service Centre and staff will be able to help you create a myGov account. myGov is a simple and secure way to access government services online.

Our staff will provide you with friendly face-to-face service, information and support. From time to time, representatives from other government agencies also travel with the Mobile Service Centres.

### Information and help you can access on board the Mobile Service Centres

We provide information, help and support to rural and regional communities, including:

- families
- older Australians
- students
- job seekers
- people with disability
- carers
- farmers
- self-employed people.

We can assist you with:

- registering and using the agency's online services
- new claims for Centrelink payments
- updating and confirming Centrelink and Medicare information
- information on how financial matters may impact on payments
- assistance with payment and service options
- rural payment entitlements for eligible farmers
- non-cash Medicare transactions
- enrolling for and issuing new Medicare cards
- updating and re-issuing Medicare cards
- social work support and referrals.
