The students will learn from Nicholas Timmings's Olympic journey how to build resilience, the importance of setting goals and how to find what you are passionate about.

Students will hear firsthand from Nicholas Timmings about how they overcame challenges to compete in their chosen sport at the very highest level, and how some lessons they've learned in sport can help students to be the best they can be – whether that's in school, at home, on the sporting field or with friends.

Tim O'Reilly
Deputy Principal

With the summer Olympics in Paris commencing in 64 days, we are thrilled to be able to connect with an Australian Olympian and hear about their journey into their chosen pathway. This is a unique learning opportunity for our students and school community to be part of and for many, this will be the first time that they get to meet an Olympic Athlete.

Athlete, Nicholas Timmings will be connecting with Years 7 - 12 students on 4/06/2024 1:45 PM, as part of Olympics Unleashed program.
