FROM THE PRINCIPAL'S DESK...

Hello Everyone,

Staffing

We welcome past staff member, Mr Ian Carmichael, back to our school in the role of Community Librarian and senior school study support. Mr Carmichael

has undertaken some Public Library training to assist with the running of our School Community Library till the end of this year and will also support senior study classes. Negotiations are currently underway with the Department to maintain Mr Varley in our Middle School maths position for the remainder of the year. A merit selection process is currently underway to fill our permanent Middle School Maths teacher position which begins in 2025.

Student Free Day and School Closure

Our school's final student free day for this year will occur on Friday 6 September to enable staff to continue their training in differentiation and Universal Design of learning tasks to enable students' greater access to the curriculum and increase engagement in their learning. The school's annual School Closure will occur on Monday 9 September - the school will be closed, there will be no classes occurring on this day.

Parents Survey

Parents from all public schools are encouraged to participate in the annual parent survey to identify what is

working well in their children's school and areas that could be improved. A reminder email message, including the online survey link for Streaky Bay Area School parents, was sent out to all parents on Tuesday. Thank you to all the parents who have already taken the time to fill this survey out. The link to the Streaky Bay Parents survey is <https://survey.education.sa.gov.au/sc/4zPEa8pFilvPODdoQ6yivA2>

F1 in Schools

Yesterday the first group of students involved in our F1 in Schools teams travelled to Adelaide to begin preparations for the F1 in Schools State Finals, which will be held on Monday and Tuesday next week at the Royal Adelaide Show. Each team will assemble their pit display, have their portfolio's judged, undergo interviews with the judges, have their F1 car scrutinized and then race against the other schools in their division. This is all on display for the public to visit and watch at the Royal Adelaide Show, please feel free to offer support to our teams if you are visiting the Show. We continue to be the only country school competing in our state in this national competition.

Facilities

On Monday 9 September, our School Closure Day, the school will be visited by our Deputy Chief Executive Officer and Senior Executive of Asset Services to tour our facilities and scope potential future asset needs. As detailed in the last newsletter, the new bike shed attached to the eastern side of the gym is now open for use to store bikes and scooters, this is to support students living on the western side of the school. Additional CCTV cameras have been installed overlooking the areas that the new external student lockers will be installed in to provide 24/7 security in these areas in the Senior School, Middle School Courtyard and in front of the year 6 classroom.

*Kind Regards,
Chris Roberts
Principal*

PARENT / TEACHER INTERVIEWS

Parent/Teacher interviews will occur on Monday 23 and Tuesday 24 September, week 10. More information and the link for bookings will be sent out next week.

2024 PARENT SURVEY

The 2024 annual parent survey is open and closes midnight Sunday 8 September. You should have already received a link to the survey via an email or SMS. Please take the time to complete the survey, this is valuable information for our school. If you cannot find the previously sent link, then please use this one:

<https://survey.education.sa.gov.au/sc/4zPEa8pFilvP0DdoQ6yivA2>

This survey aims to get your views on:

- what we're doing well
- where we can improve
- what's important to you as a parent/carer.

For more information, please visit the [department's website](#).

Your answers won't identify you or your child and only collated feedback is provided to our school.

Reminder emails will be sent to you unless you have completed a survey or have unsubscribed.

Music Students Cleve Field Days 2024

Bass - Mya, Lara, Robert (Year 8), Izaak (Year 6)
Guitar – Ashley, Skyla (Year 8)
Drums – Jacob, Ellie (Year 8), Jordan (Year 7)
Keyboard – Lyla (Year 7)
Vocals – Ziggy (Year 8), Jordan (Year 7), Mareike (Year 6)

On Wednesday, 14th August, the music students delivered an outstanding performance at the Cleve Field Days, showcasing remarkable bravery, courage, and confidence. Their dedication and hard work truly shone on stage. The long bus ride, filled with laughter and lively conversation, helped the student's bond and form new friendships, transforming them into a united team that supported one another every step of the way. This experience not only highlighted their musical talents but also demonstrated their ability to rise to the occasion with grace and camaraderie.

Warm regards,
Tom McCarthur, Jodi Martin & Stefanie Roeske

Be You- Streaky bay Area School is continuing its' commitment to promoting positive Mental Health in 2024

What is Be You?

Be You is the latest Australian education initiative in improving children's mental health, wellbeing and learning outcomes. It was developed in collaboration with the Australian Government Department of Health, beyond blue, the Australian Psychological Society, the Principals Australia Institute, and Early Childhood Australia. Be You is a birth to eighteen years framework designed to support schools and their communities in promoting and developing good mental health.

For more information and to access a great range of resources to support parents and children you can visit www.beyou.edu.au/. There you can access a fantastic range of information and fact sheets to support your child's social development and help to develop resilience and good mental health.

The Be You model of supporting and growing the resilience and positive mental health of our school community relies on the work and commitment of a school action team made up of members from across the school community including parents, students and staff members. The school is extending an invite to join our Be You Action Team in 2024 and beyond and is looking for parents and community members who are passionate about education and promoting good mental health to join.

The Action Team will be responsible for coordinating and driving Be You initiatives in our school community. Our action team will drive and coordinate this whole school event as well as other initiatives to improve mental health and wellbeing, develop resilience and further build on the strengths of the school community.

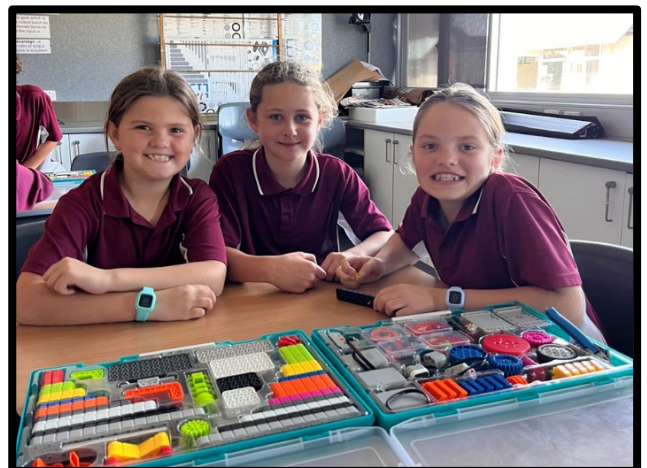

If you are interested in becoming a member of the Be You Action team at Streaky Bay Area School or just want to find out more, please contact me or the school to register your interest.

Mischa Karp
Student Wellbeing Leader***

PRIMARY SCHOOL NEWS

Year 4 Design and Technology

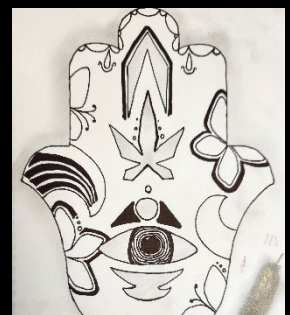

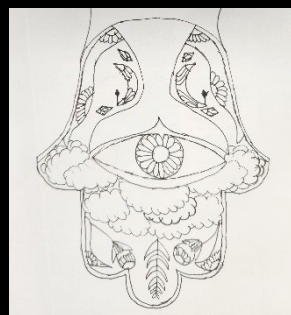

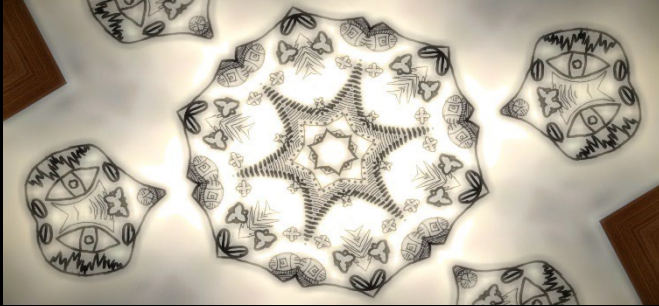

In Year 4, we are constructing our very own creepy-crawler robots! In teams, we are working hard to follow instructions and use our problem-solving skills when challenges arise. Next, we will assess the performance of our 'crawlers' across different terrains to determine the most suitable habitat for our creation.

MIDDLE SCHOOL MATTERS

Year 8 Hamsa Art Gallery

Students have been experimenting with conventions of line variety, shape, symmetry and contrast, whilst using drawing tools and digital technologies. Here are some examples of their experimentation that is based on Hamsa art, a globally recognised, cultural artwork that holds symbolism for good luck and protection.

SENIOR SCHOOL NEWS

Thank you to the parents that attended the recent parent evening to introduce the SACE. I am pleased to inform you that the "Introduction to Senior School" presentation is now available on our school website for those who were unable to attend. This presentation offers valuable insights into the upcoming senior school year and is a great resource to help you stay informed and engaged with your child's educational journey. You can view the presentation by visiting our school website and navigating to the Senior School section under 'Parent Information'. Subject counselling for 2025 with the year 9 – 11 cohort is just about completed. Please discuss your child's choices with them and contact me if you have any concerns.

Thank you to Ross McTaggart and Mischa Karp for their support during the recent Year 11 Outdoor Education Camp. Their dedication and enthusiasm played a crucial role in making the camp an enriching experience for students.

We welcome Ian Carmichael to the Senior School team. Ian will be supporting our students with their studies for the remainder of the year, and we look forward to the positive impact he will bring.

Lastly, I want to acknowledge the work of the "Your Voice Matters" group, who have been analysing our recent wellbeing data. Their efforts are vital in ensuring we continue to support our students' wellbeing and create a positive and nurturing school environment.

*Warm regards,
Karen Box
Senior School Coordinator*
