FROM THE PRINCIPAL'S DESK...

Hello Everyone,

Student Free Day

Our final student free day last week was the next key step in our improvement cycle around student cognitive engagement. The day involved all teaching and support staff

working collaboratively to further develop and refine their knowledge and understanding of differentiation and Universal Design of learning tasks, to enable students' greater access to the curriculum and increase engagement in their learning. Our SSO's also participated in a separate workshop that centred on developing practical strategies and processes to apply when supporting students at an individual level within the classroom.

Men's Literacy Day morning

On Monday 2 September the Primary School hosted the annual Men's Literacy Day. This event looks to engage fathers, uncles, grandfathers and male role models in the school community and to share in some of the learning that our students participate in at school. We were thrilled with the large turnout of visitors that supported and participated in the various activities with our students. Thank you to those of you who took the time out of their day to be part of this event. Thank you also to Parents and Friends who organised an amazing Father's Day raffle which was highly successful, raising \$1406 towards school initiatives. Congratulations to Sue Higgins on winning the raffle.

Formula 1 In Schools State Finals

Last week at the Royal Adelaide Show, we had two teams take part in the Formula 1 In Schools State Finals. Our Year

8 team, known as 'Altitude', consisted of Robert Camilleri, Jackson Hammat, Reuben Elliott, Jacob Kelsh, Ellie Lihou and Kaeli Trezona – They competed in the Development Class and were awarded Best Team Verbal Presentation and the Innovation Award.

Our Year 9 team, known as 'Accelerence', consisted of Halle Montgomerie, Lola Coombs, Sienna Williams and Zahli Habel. They competed in the Professional Class and came away with a swag of awards including, Best Team Marketing, Best Graphic Design, Best Team Trade Display, Grand Prix Race and Fastest Lap. These achievements resulted in Accelerence finishing 3rd overall.

We are very proud of the student's dedication and hard work over the past 8 months. They represented their individual teams and our school to the highest level.

Thank you to Ty Redden for leading the F1's in Schools program, supported by Karen O'Reilly, Melissa Frick, Richard Bowden, Noel Box and Claire Blesing. A huge team effort by all involved. We would also like to acknowledge the various sponsors and the school community for their donations and support.

On the Sporting Field

Football: Congratulations to Luci Guelfi, Emmie Window, Ava Walsh, Shaylea Bubner, Sunny Faulkner, Anna Faulkner and Jessie Kelsh for being selected to represent Western Eyre Peninsula in S.A.P.S.A.S.A Girls Football. The state carnival will be held next term in Adelaide, and we wish them all the very best.

Golf: Congratulations to Nate Huntley and Kai Habel for representing Western Eyre Peninsula in the S.A.P.S.A.S.A State Golf Championships in Adelaide today.

2024 School Sport State Football Representative School Acknowledgement

During the mid-term whole school assembly, we took the opportunity to recognise and acknowledge Kirralee Johns (AFLW), Year 9 and Kyle Feltus (Golf), Year 11 for being selected to represent South Australia in the School Sport National Championships.

Kirralee played in the South Australian 15 Years and Under Girls Australian Rules Football Championships on the Gold Coast. Her team had an outstanding championship winning all 6 games to take out the title for the first time.

Kyle Feltus competed in the 18 Years and Under National Golf Championships in the ACT at the Royal Canberra Golf Club in August. Playing stroke play and match play formats, Kyle finished as the top performing SA golfer and went on to beat the current number 1 left-handed junior golfer in Australia.

Kyle Feltus and Kirralee Johns being presented with their Sporting Achievement Award from Sports Coordinator, Mrs Brougham.

Parent Teacher Interviews

Parent Teacher Interviews are due to be held on Monday 23 and Tuesday 24 September. Details have been sent home to families with how to book meeting times. The interviews provide an opportunity for parents and caregivers to discuss their child's learning, achievements, and areas for growth.

Kind Regards,
Tim O'Reilly
Principal

R U OK? Day: Reaching Out Matters

Today is R U OK? Day. Chances are someone you know is struggling. Their behaviour may have changed—they might have withdrawn from activities they usually enjoy or seem more agitated than usual. Trust your gut and reach out. Pick the right moment, ask "R U OK?" and listen.

Emily Cash and Chloe Foster, senior school YVM members, have organised posters, lessons for Year 6–12 teachers, and newsletter articles to acknowledge this important day. Sincere thanks to the girls for their valuable contributions.

*Warm regards,
Karen Box
Senior School Coordinator*

RU OK DAY

A range of circumstances can lead to a young person feeling low, including:

- Big life changes like moving house or school
- Experiencing grief or loss
- Being around people going through tough times
- Being bullied
- Arguing with someone
- Problems with school work
- Boredom
- Having a medical condition or chronic illness
- Lack of sleep

4 Conversation steps to help navigate a conversation when someone says, "No, I'm not OK". These steps are:

- 1 Ask
- 2 Listen
- 3 Encourage action
- 4 Check in

Certain behaviours and signs can indicate a young person may be struggling. When people often feel low, they often:

- Withdraw from their friends or family
- Lash out at people and get angry or upset really easily, including towards the people they care about
- Cry or become emotional
- Lose interest in activities and things they usually love
- Changed sleeping patterns
- Change in appetite, they could be eating more than usual or less.

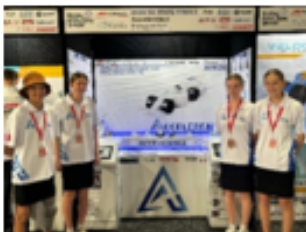

Useful contacts when a young person is not OK:

- School counsellor
- GP or psychologist
- Kids Helpline on 1800 55 1800
- Lifeline on 13 11 14
- Dial 000 if someone's life is in imminent danger

MIDDLE SCHOOL MATTERS

** Streaky Bay Area School Teams Shine at F1 in Schools SA State Competition **

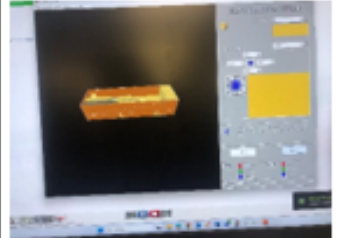

We are excited to announce the remarkable achievements of Streaky Bay Area School's teams, Altitude and Accelerence, at the F1 in Schools SA State Competition held from September 2nd to 3rd. Our students took centre stage yet again in this prestigious event, showcasing their exceptional teamwork and innovative spirit.

The F1 in Schools SA State Competition is a dynamic event that challenges students to design, build, and race miniature Formula 1 cars, pushing the boundaries of their STEM (Science, Technology, Engineering, and Mathematics) education. This year, our school fielded two impressive teams, Altitude and Accelerence, both of which demonstrated outstanding creativity and technical expertise.

The competition was a whirlwind of activity and excitement over the two days. Both teams had the opportunity to present their projects to a panel of judges and compete on the track, where they raced their cars against other talented teams. The atmosphere was charged with energy, and our students embraced the challenge with impressive sportsmanship and determination.

Our team, Altitude, earned two prestigious awards that highlight their exceptional capabilities. First, they captured the judges' attention with their outstanding verbal presentation, securing the title of Best Verbal Presentation in the Development Class. Their clear, engaging, and informative delivery showcased their deep understanding of their project and their ability to communicate complex ideas effectively. This accolade is a testament to their hard work and excellent presentation skills.

In addition to their verbal presentation success, Altitude also took home the Best Innovation Award for the Development Class. This award recognises their creative and forward-thinking approach, demonstrating not only technical skill but also a remarkable level of innovation in their car design and project development.

The Accelerence team delivered an outstanding performance in the Professional category, securing several prestigious awards:

- **Best Team Trade Display:** The team was awarded for their trade display, which was both professional and visually striking. Their setup effectively showcased their project and caught the eye of the judges with its clean, organised, and engaging presentation.
- **Best Team Marketing:** Accelerence was recognised for their inventive marketing strategies. Their approach was both creative and impactful, effectively promoting their team and project with originality and flair.
- **Best Graphic Design:** The team earned this honour for their exceptional graphic design work. Their visuals were not only aesthetically pleasing but also conveyed their project's key elements with clarity and creativity.
- **Fastest Lap:** Accelerence was celebrated for achieving the fastest lap time in the competition. This accolade highlights their technical expertise and the high performance of their car on the track.
- **Grand Prix Race:** The team demonstrated their competitive edge with a strong showing in the Grand Prix Race. Their performance was a testament to their meticulous preparation and racing skills.

Overall, Accelerence achieved a commendable third place in the competition. This reflects their excellence across both technical and presentation aspects, underscoring their comprehensive approach and high level of performance throughout the event.

We extend our deepest gratitude to our dedicated teachers, SSOs and mentors, whose support and guidance were instrumental in preparing our teams for this competition. Their expertise and encouragement played a crucial role in the success of both Altitude and Accelerence.

We also want to acknowledge and thank our community sponsors, whose generous support made this incredible journey possible. Your commitment to fostering student talent and innovation is greatly appreciated.

The F1 in Schools SA State Competition has been an incredible journey for our students, offering them a unique opportunity to apply their classroom learning in a competitive setting. We are incredibly proud of Altitude and Accelerence for their hard work and achievements.
