### No Hat No Play

Our Sun Smart – No Hat No Play policy has commenced from Wednesday this week after giving students some time to ensure they have a wide brimmed or legionnaires hat to wear when outside the classroom. Please note that hats with inappropriate advertising (ie alcohol brands or inappropriate messages) will not be allowed. Students without an appropriate wide brimmed or legionnaires hat, will be required to sit in the shade of buildings (hard shade) or in the library at break times, or may not be able to participate in their classroom outdoor learning. Please note that the shades on the oval do not meet the requirements of hard shade. This policy runs from Term 4 through to the end of Term 1 each year. Please ensure your child/ren have an appropriate hat so that they can actively participate in all school activities over the summer period.

### Student Lockers

Over the holidays installation of the new external student lockers for Middle School and Senior School students was begun after work occurred to extend the veranda in front of the year 6 classroom, weather proof the veranda area in front of the year 7 classroom and complete internal preparation work. So far student lockers have been installed for the senior school classes, the Year 9 and Year 8 classes. We are currently fixing numbers to the lockers and installing combination locks for each locker - the combination will only be known by each student. These locks are supplied with the lockers, and can be accessed with a master key in the event of a forgotten combination to minimise disruption. The locks cost \$30 to replace and will be charged to families in the event of a replacement being required, there is no initial cost to families. No other padlocks will be permitted to be used, if students bring their own padlocks, they will be asked to immediately remove them, in the event this does not occur the lock will be permanently removed by the school (ie bolt cutters). Lockers for the Year 6 and 7 classes will continue to be installed by our grounds staff during this term, many thanks to Garry Back and James Button for their work in this area.

### School Pool

We are anticipating the arrival of the new school pool solar heating system parts either this week or next, with an aim to have the new solar heating system installed and

## FROM THE PRINCIPAL'S DESK...

Hello Everyone,

I hope you had a relaxing holiday break with your family and friends. Students have returned back into school and quickly settled into their learning routines.

### Staffing

Congratulations to Mrs Amber Brown who has won our ongoing Middle School Maths Teacher position from next year, we look forward to Mrs Brown teaching our middle school maths classes in 2025. We are pleased that Mr Kevan Varley (Mr V) has agreed to continue to provide his services teaching the middle school maths program for this term as part of the Department's TRT Fly In/Fly Out program. We welcome past student, Ms Darcy Azzopardi, back to the school for her second year four week Pre Service Teacher Placement in our year 2 class.

### Bushfire Season

The Bushfire season is again upon us, there is important information for parents about Bushfires and School operations further in the newsletter. It is important to note, that on the days of Catastrophic Fire Danger Weather, the Streaky Bay Area School will remain open given it is located in a lower fire danger area, however our bus services on this day will be cancelled.

operational by the beginning of November. We aim to open the school pool for after school hour and weekend community use in early November. Individual and Family pool memberships can be paid at the District Council Office who will be managing the Pool Community use program.

#### End of Term

Term 4 is a nine week term and the last day of the term will be Thursday 12 December.

*Kind Regards,  
Chris Roberts  
Principal*

## BUSHFIRE SEASON

### PREPARE FOR A BUSHFIRE

Families should follow these steps to prepare for the fire danger season:

- read the [bushfires and your child's school or preschool brochure \(PDF 4 MB\)](#)
- talk to your children about what will happen if a bushfire occurs when they are at school or preschool
- read all bushfire information given to you by your child's school or preschool
- make sure your emergency contact details are up-to-date and available to your school or preschool before the start of the fire danger season

Streaky Bay Area School is in a **'low risk' bushfire area**. This means on days of forecast catastrophic fire danger ratings, our site will **remain open**. **School buses will not operate within the Fire Ban District**. Our phone number is 08 86261202, if this number is engaged during an emergency, contact; the Department for Education Emergency Information Hotline on 1800 000 279 for current and up-to-date information on bushfire emergencies. While we have an emergency and bushfire response plan for our site it is important that we are all prepared for a bushfire emergency.

### BUS PARENTS

**A reminder School buses will be cancelled when catastrophic bushfire weather is forecast.**

If during a school day, catastrophic bushfire conditions are declared, then bus services will be cancelled in the afternoon and students will need to be either picked up from school or have alternative care arrangements made for them. These are the same arrangements that are in place for all schools with bus services. We request that bus parents please monitor the ABC weather forecast on days of high bushfire risk, particularly early in the morning of the bus run commencing in case of a late catastrophic weather declaration, or utilise the CFS website for current forecasts and information [www.cfs.sa.gov.au](http://www.cfs.sa.gov.au)

# CELEBRATING POSITIVE BEHAVIOURS

## Supporting Your Child's Success at School: Key Tips for Parents

As the school year progresses, it's essential to create a supportive environment at home that nurtures your child's success. By establishing routines, ensuring good sleep, setting screen time limits, and fostering qualities like persistence, resilience, grit, and kindness, you can help your child thrive both academically and personally. Here are some tips to consider:

### 1. Establish Consistent Routines

Children thrive on routine. Regular schedules for waking up, meals, homework, and bedtime create a sense of security and predictability. Start by setting a consistent wake-up time and bedtime, even on weekends. A structured routine helps your child understand what is expected of them and prepares them for the day ahead, improving their focus and engagement in school activities.

### 2. Prioritise Good Sleep

Sleep is crucial for a child's development and learning. A well-rested child is more attentive, retains information better, and is more emotionally balanced. Aim for 9-11 hours of sleep for school-aged children. Establish a calming bedtime routine, such as reading a book or listening to soft music, to signal that it's time to wind down. Avoid screens at least an hour before bedtime to promote better sleep quality.

### 3. Set Screen Time Limits

While technology is an integral part of learning and recreation, excessive screen time can interfere with sleep, physical activity, and face-to-face interactions. Set clear boundaries for screen usage during school days, focusing on balancing educational activities with time for outdoor play, reading, and family interactions. Encourage breaks from screens, especially during homework, to keep your child focused and engaged.

### 4. Encourage Persistence, Resilience, and Grit

Success is often the result of perseverance and the ability to overcome challenges. Encourage your child to keep trying, even when tasks are difficult. Praise their efforts and problem-solving strategies rather than just the outcomes. Share stories of famous individuals who faced failures but persisted to succeed. Teaching your child to view challenges as opportunities for growth will help them develop resilience and grit, valuable skills that will serve them throughout life.

### 5. Foster Kindness

In a world where social and emotional skills are as important as academic achievements, teaching kindness is essential. Model and encourage empathetic behaviour, such as sharing, helping others, and expressing gratitude. Teach your child the importance of understanding and respecting others' feelings. Practicing kindness helps build a positive school environment and enhances your child's emotional well-being.

Supporting your child's success in school is a multifaceted endeavour that involves more than just academic focus. By creating routines, ensuring adequate sleep, setting boundaries on screen time, and fostering qualities like persistence, resilience, grit, and kindness, you equip your child with the tools they need to excel in school and life. Your involvement and encouragement can make a significant difference in their educational journey. Together, we can help our children grow into well-rounded, capable, and compassionate individuals.

Let's work hand in hand to support our children's success both inside and outside the classroom.

## SENIOR SCHOOL NEWS

Our teenagers bring us immense joy, but sometimes there are challenges. For support, you may like to consider the ReachOut for Parents and Carers website. They offer various types of support tailored to what you and your teenager need.

1. **Self-help Content**  
Explore topics relevant to you and your teenager through articles, videos, quizzes, and more.
2. **Community Forums**  
Engage with other parents, ask questions, and learn from shared experiences.
3. **One-on-One Support**  
Access free, confidential support with a professional family and parenting coach at your convenience.
4. **Common Concerns**  
Find practical strategies for managing school refusal, supporting teens through distressing world events, and staying updated with social media trends.
5. **Skills to Build**  
Learn effective communication techniques, support your teen's sexuality, prioritise family self-care, and manage stress through healthy habits and professional support.

For more information, visit ReachOut online and find the support that works best for you and your teenager. Likewise, the Parent Helpline (1300364100) is also an excellent support where you can talk to a counsellor who can help you navigate difficult parenting dilemmas.

Hope these might help be of help to you one day.

## MIDDLE SCHOOL MATTERS

Welcome to Term 4!

As we begin the final term of 2024, it's shaping up to be a busy and exciting time for our middle school students. We have several students representing our school in upcoming SAPSASA events. In week 2, Year 6 girls Sunny, Ava, Shaylea, and Emmie will participate in girls football. In Week 4, Year 6 boys Nate, Jed, Kai and Winston will be competing in cricket, along with some of our Year 5 students. We wish them all the best as they compete and represent our school.

Yesterday, students tried out for SAPSASA tennis, which will take place in Week 6. We wish everyone good luck with their trials.

We would also like to extend our congratulations to all the award winners from last term.

	<b>Consistent Effort</b>	<b>Academic Achievement</b>
Year 6	Ava Walsh Winston Day Shaylea Bubner Marieka Best	Banjo Burge Neko Freeman
Year 7	Pania Alexander Jordan Elliott	Samson Schmucker Alexis Williams
Year 8	Ellie Lihou Ashley Rosenzweig	Skyla Hunt
Year 9	Tasha Williams Ryder Frick	Lucas Whitford Halle Montgomerie

We are incredibly proud of all our students and their achievements. Here's to a fantastic Term 4!

# PRIMARY SCHOOL NEWS

Welcome to Term 4! It has been a great start to the term with all students coming back quite settled after the break and getting stuck into their learning well in the first few days back.

Term 4 is always a busy term and this term students will be busy doing lots of learning as well as lots of additional activities, such as the School Fun Run, PE week activities, Water Awareness lessons and getting ready for Christmas with Christmas craft towards the end of the term.

This term we also have transition happening in the Reception/Year 1 classrooms with 11 students taking part in our transition to school program. We would like to welcome them, and their families, to our school community.

*Kind regards,  
Kerry Hill  
Primary Coordinator*

## **Get your Colour on, Streaky Bay Area School is hosting a Colour Spectacular Run 4 Fun!**

Our Colour Spectacular Run 4 Fun will be on 19 November from 1:00pm to 3:00pm.

Not only are we hosting an awesome Colour Splatacular Run 4 Fun, Students can order up to a total of 5 prizes based on their donations received. They can even mix and match! 6 June 2024

Dear parent/caregiver

At a time when the cost of living pressures are being felt by many families, the South Australian Government is acting to deliver financial relief towards the cost of public education.

We want to reduce financial stress for families as much as we can.

That is why, as part of the 2024-25 State Budget, families with school-aged children will receive a \$200 discount per child on their public school's Materials and Services Charge for 2025 – double the discount amount provided for 2022, 2023 and 2024.

You don't need to do anything to claim the discount – it will automatically be applied by your school.

The discount does not apply to families approved for the School Card scheme as these families are not required to pay a Materials and Services Charge.

Information on School Card eligibility, income limits and the application process can be found at: [SA.GOV.AU - School Card scheme \(www.sa.gov.au\)](http://SA.GOV.AU - School Card scheme (www.sa.gov.au))

We hope this increased discount will provide some relief.

Yours sincerely
