Wed 12 – Mon 24 NAPLAN testing period

Tues 25 WASSAC, @ Whyalla

Mon 31 Parent/Teacher Interviews, 4.30-7.30pm

APRIL

Tue 1 Parent/Teacher Interviews, 3.30-6.30pm

Mon 7 SAPSASA Swimming, Adelaide

Wed 9 SSSSA Athletics, Adelaide

Fri 11 Last Day of Term 1, early finish 2.05pm

Administration Office hours.

Our office hours are Monday to Friday from 8:30am to 4:30pm. If contacting the school out of hours, please leave a message with your contact details and we will return your call as soon as we can.

Teen Parliament 2025: Tackling the big issues on SA's biggest stage.

The most inspiring teenagers in the state came together for The Advertiser Teen Parliament on 14 February. Thirty students from regional and city schools debated their ideas for making South Australia bigger and better. Congratulations to our School Captain, Kyle Feltus, for winning a \$10,000 scholarship toward higher education for his outstanding

debate in SA Parliament House on energy policy. Well done, Kyle! We are proud of you.

Vacation Care fees.

Vacation Care fees will be increasing from \$50 to \$55 per day in the holiday period commencing the 14th April. This rise was approved at the December Governing Council meeting last year to assist with the rising cost of running our program.

It's more than just sport.

The annual Swimming Carnival lived up to expectation, with Wattle being crowned the overall champions by a margin of 2 points. We celebrated team and individual successes, but we were equally as thrilled with the characteristics displayed throughout the day by our young people. We consistently saw examples of care, compassion, resilience, effort, initiative, versatility and gratitude.

These same qualities were on show at the Interschool Swimming carnival in Wudinna last Friday, as our students came together to compete as Streaky Bay Area School. Congratulations to our team who won the handicap and championship awards, the ninth year in a row! Thank you to all the staff and families that supported our team.

FROM THE PRINCIPAL'S DESK...

The term is in full swing, with our students and staff working hard and engaging well in the various learning programmes across the school.

School Improvement

We have had a deliberate focus on connections and school culture, aligned with high expectations for learning and behaviour. This is our theme for 2025 and what we will hold strong. With our commitment to continuous improvement, our staff have been collaborating in the development of our site learning plan, developing clarity about what we are going after and ensuring that our efforts have the desired impact at the classroom level. We will continue to share and celebrate our improvement work with you as the year progresses.

Governing Council Annual General Meeting.

The Governing Council AGM, followed by the first meeting will be held on Monday 3 March commencing at 6:00pm at the school and we encourage parents to consider engaging in school life as part of the Governing Council team. Thank you to the community members who have nominated to join the Governing Council. We look forward to announcing the Governing Council members in the coming weeks.

The preparations for Sports Day are almost complete and I encourage you to be part of the team spirit by coming down and connecting with our young people and staff.

*Regards,
Tim O'Reilly
Principal*

2025 SCHOOL FEE PAYMENT PLANS

If you would like to take up the option of a payment plan, please ensure you come in and see the front office staff prior to the end of Term 1, Friday 11 April to complete an installment schedule. We encourage families to utilise this option to alleviate the financial burden.

If you think you may be eligible for school card please apply online at sa.gov.au/education/schoolcard or collect a paper application from the front office.

SWIMMING POOL CARPARK – pick up & drop off

The swimming pool car park is not for a kiss and drop off, it is for parking and flow through traffic. If you are using it as a morning drop off or afternoon pick up you need to park in a park so you are not blocking the flow of traffic or the walk way for others to use. The Kiss and drop zone is at the front of the school.

CANTEEN CORNER

Friday - Sushi & Poke bowl day

Sushi Rolls

Cucumber, lettuce & mayo	\$4.00
Add Tuna	\$0.50
Teriyaki Chicken, cucumber, lettuce & mayo	\$4.50

If you didn't order a 2024 school magazine and would like one we still have copies available from the front office for \$22ea.

YOU ARE INVITED TO...

Streaky Bay Area School Open Classrooms & Student Leadership Acknowledgement Ceremony

As part of our commitment to building and developing strong working partnerships with our parent body, we are inviting families into our school to meet the staff, view our facilities and be part of the audience during the Student Leadership Acknowledgement Ceremony on **Wednesday 12th March**.

Part 1. 2:00pm – 2:30pm

Open Classrooms

Families are encouraged to visit their child's classroom and other learning environments. See what's new in the school and what the children have started learning about. This will be an opportunity to meet your child's teacher and see their new classroom.

Part 2. 2:30pm – 3:00pm

Student Leadership Acknowledgement Ceremony

At 2:30pm, classes move to the Middle School Court Yard for a whole school assembly. During this assembly, we will present the Year R-9 SRC Members with their badges and certificates, the 'Building Stronger Communities' group, along with the Senior School, 'Your Voice Matters Group'. See below for the names of the students in our Leadership Groups.

We look forward to seeing you all on Wednesday 12th March and welcoming you into the school.

Fostering Respect, Good Manners and Positivity to Build a Supportive School Environment

At Streaky Bay Area School, we understand that a positive school environment is built on respect, good manners, and strong relationships. When members of our school and wider community treat each other with kindness and consideration, everyone benefits. Creating a respectful and inclusive school and classroom helps students feel valued, safe, and ready to learn.

The Importance of Respect: Respect means treating others the way you want to be treated. It involves listening, valuing different perspectives, and showing appreciation for classmates, teachers, and staff. When respect is a priority, conflicts decrease, and friendships flourish.

Why Good Manners Matter: Simple acts of politeness—saying “please” and “thank you,” holding the door for others, and waiting your turn—go a long way in creating a positive atmosphere. Good manners show consideration for others and contribute to a culture of kindness and cooperation.

Getting Along with Others: Building strong relationships with classmates and teachers requires patience, empathy, and open communication. Disagreements are natural, but handling them with understanding and respect helps maintain a peaceful and productive learning environment.

How to Contribute to a Positive School Environment

- **Greeting Everyone Politely:** take time to say a kind and respectful ‘hello’, ‘good morning’, ‘hi’ and ask people ‘how are you today?’, ‘how was your weekend?’. Listen with eye contact and respond politely.
- **Be Kind and Inclusive:** Make an effort to include others, offer a helping hand, and stand up against bullying.
- **Use Respectful Communication:** Speak politely, listen actively, and avoid interrupting or raising your voice.
- **Practice Cooperation:** Work well with classmates, share responsibilities, and appreciate different viewpoints.
- **Show Appreciation:** Express gratitude to teachers, staff, and peers for their efforts and support.
- **Be Responsible:** Take ownership of your actions, follow school rules, and encourage others to do the same.

Creating a Culture of Respect At Streaky Bay Area School we value respect, good manners, and teamwork to foster an environment where everyone can thrive. By making an effort to treat others with kindness and dignity, students contribute to a more harmonious and supportive community.

Parents and families can support these values and behaviours through encouraging their children to be kind, respectful and inclusive and reinforcing the importance of these qualities regularly.

Let’s all work together to make our school a place where respect, good manners, and positive interactions create a welcoming and inspiring space for everyone!

I understand that should I be declared bankrupt, receive a benefit of law for the relief of insolvent debtors or be convicted of any of the offences listed, my membership of Streaky Bay Area School Governing/School Council will cease.

Signed _____ Date: _____

STREAKY BAY AREA SCHOOL

2025 SPORTS DAY

Tomorrow, Friday 28 March is Sports Day. This event involves all students from Reception to Year 12 and will be held at school. The official opening will be at 8:50am and the school day will finish at 3:05pm.

Students will need to go to their home group at 8:45am for the roll call, after which they will gather in their house bays for the official opening. This will be followed by the first events from 9:00am. A program is attached to the back of the newsletter.

Throughout the day the students will participate alongside their age group peers in a variety of individual and team events. **Participation is the key - the more students become involved the more points they gain.** Points to teams are awarded for each event that a student participates in and extra points for a 1st, 2nd or 3rd.

The carnival concludes with relay events where the house teams face off to try and win the overall championship.

On the day your child will need:

- Appropriate footwear for athletics as shoes must be worn
- A wide brim hat
- Sunscreen (However, students will have access to this on the day)
- Appropriate clothing in team colours. Singlets are not acceptable (for example Bonds, basketball and football tops)
- Water bottle
- Packed lunch or money to purchase from the P&F and SRC stalls.

At the conclusion of the carnival, we will conduct the presentations. If the carnival finishes early, students will be only able to leave if their parents are present and have informed class teachers. All other students will wait in their home class until 3:05pm.

We would love to see as many parents, families and friends come along to support the day.

If you can assist in any way, please contact us at the school.

*Yours sincerely,
Karen O'Reilly
Deputy Principal*

Another Proud Moment for Streaky Bay Area School

I am thrilled to announce that Kyle Feltus has been honoured as one of the ten winners at the "Building a Bigger, Better State" event. Kyle was awarded a generous prize of \$10,000, marking a significant achievement for him and our school community.

The event, attended by the Prime Minister, the Federal Opposition Leader, and the South Australian Premier, celebrated the innovative big ideas of young individuals across the state. Kyle's recognition at such a gathering is a testament to his dedication and the positive impact he has made as an ambassador for our school.

Kyle's achievement highlights his success and brings pride to Streaky Bay Area School. His accomplishments show our students' potential to succeed on a larger stage.

We congratulate Kyle on this outstanding achievement and look forward to his continued success. His win is a wonderful example of the excellence our school community supports.

We will be sending out the first traffic lights for the year via email over the next week. Please take a moment to review these with your child. If your child receives a red or orange traffic light, I encourage you to reach out to their teacher/s. This will allow us to collaborate and continue supporting all senior school students effectively.

Thank you for your cooperation.

*Kind regards,
Karen Box
Senior School Coordinator*

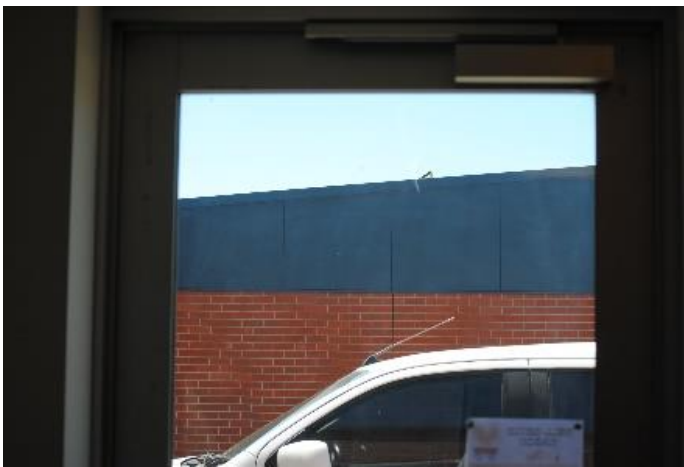

Building a Creative, Responsible and Inclusive Art Room

As we wrap up the first four weeks of the school year, our Visual Art students have been busy establishing safe, inclusive learning habits in the Art Room. We've focused on creating a positive studio environment where everyone feels comfortable expressing themselves and working collaboratively.

Engaging in drawing games, students have explored teamwork, creative risk-taking and coordination. For example, simultaneous sketching encouraged students to respond to each other's marks in real-time, fostering quick thinking and adaptability. Also, Bi-lateral Oil Pastel artworks challenged students to use both hands to create symmetrical designs, improving their focus and fine motor skills. As the majority of class members are focusing drawing practicals, small teams have also been developed to create videos to support the learning of Art Room habits for showing to their buddy classes in Week 7.

The Senior Art group embraced opportunities for experimentation with a variety of mediums in the first 4 weeks, becoming familiar with tools and materials available in the classroom and sparking curiosity. As Senior students, they are expected to manage their workspaces efficiently, both during class and when accessing resources during study hours. Therefore, experiences like these help them to grow independence in the studio environment.

Watch this space, as the Year 10 artists have embarked upon an Interior Design project where a room in the school will be reimaged in consultation with teachers and support officers. This is so exciting! Can you tell which room it is from these 'before' photos?

Year 5/6

The Year 5's and 6's have made a great start to the year! The composite structure of our Year 5/6 classes has been a great success, fostering collaboration and learning across different levels. Students are benefiting from shared experiences and diverse perspectives, enhancing their educational journey. Here's a summary of their activities and achievements so far:

Our students have been actively engaged in their Design and Technology classes, held weekly in house groups. They've already shown great creativity and skill by crafting key chains in the tech room. Additionally, they've been working on model observatories and other exciting projects that spark their imagination and problem-solving abilities.

Spelling is in full swing with Year 5 students participating in the Spelling Mastery program under the guidance of Miss Sampson. Meanwhile, Year 6 students are joining Miss Leah for an explicit Spelling and Morphology program, enhancing their language skills and understanding of word structures.

Students have participated in regular practice sessions in preparation to represent their house teams in tomorrow's Sports Day. Additionally, our students are enjoying team bonding games with their buddy classes, strengthening friendships and collaboration across different year levels.

Finally, Year 6 students are embracing leadership roles through the Building Stronger Communities program. They are taking on responsibilities such as raising the flag each morning and lowering it at the end of the day, fostering a sense of community and responsibility.

We are proud of the enthusiasm and dedication our students are showing across all these activities. Keep up the great work!

Leah Chynoweth & Bella Sampson
(Year 5/6 Teachers)

Streaky Bay Area School Triumphs at Interschool Swimming Carnival

On Friday, 21st February, 34 enthusiastic swimmers made the journey to Wudinna to compete in the annual Interschool Swimming Carnival. They faced off against swimmers from Wudinna Area School and a combined team from Miltaburra, Karcultaby, Lock, and Elliston Area Schools.

Streaky Bay Area School celebrated a remarkable victory, securing their ninth consecutive win at this prestigious event. The students gave their best in the pool, with many stepping up into older age groups to ensure every event had representation.

In the afternoon relays, Streaky Bay's team truly displayed their teamwork and sportsmanship, triumphing in all but three of the races.

A special congratulations goes to Jayda Brougham, who broke both the Open Girls' Freestyle and Breaststroke records.

All participants should be incredibly proud of their efforts and the way they represented Streaky Bay Area School with enthusiasm, pride, and determination. Congratulations on a well-earned victory!

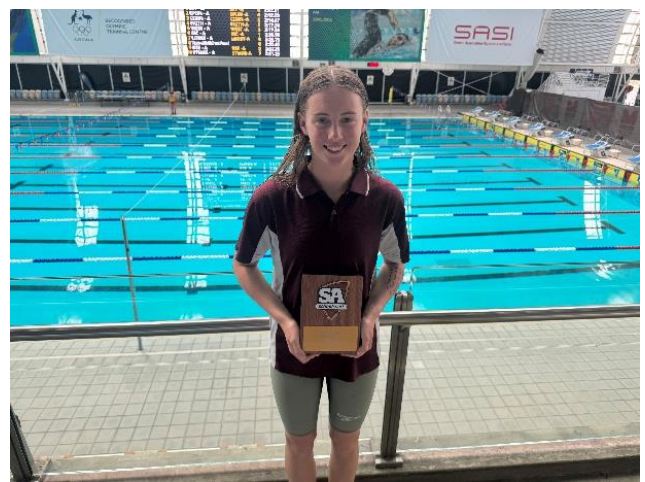

SSSSA Swimming Championships

On Tuesday, 25th February, Jayda Brougham and Banjo Burge represented Streaky Bay Area School at the prestigious SSSSA Swimming Championships in Adelaide, joining talented swimmers from across the Eyre Peninsula and Upper North. Competing against top schools and colleges from Adelaide, both swimmers delivered outstanding performances, showcasing their skills and determination on a larger stage.

Jayda had an exceptional day, finishing *second* in backstroke, *first* in breaststroke, and *second* in freestyle, narrowly missing first place by just a fingertip. Banjo also impressed, finishing *equal second* in backstroke, *fifth* in breaststroke, and *third* in freestyle, further demonstrating his competitive spirit.

In the overall team standings, the girls' team finished on top with a score of 725, while the boys' team placed sixth with a score of 592. The Eyre Peninsula and Upper North combined team placed *second overall* with 1,317 points, just behind the winning Westminster College.

Both Jayda and Banjo can be extremely proud of their individual results and the way they contributed to their team's success at this high-level competition. Well done on such a fantastic achievement!

Caring for women
from ocean to outback

**BreastScreen SA's Mobile Screening Unit is
visiting Streaky Bay from early to mid-April 2025.**

We're inviting women aged over 40, especially 50 to 74 years, to come along for their free breast screen

- It's FREE and quick - it takes just 15 minutes
- You can make a booking with a friend, family member or group
- It's the best way of detecting breast cancer early (before symptoms start to show), giving you a greater chance of successful treatment

Book online at www.breastscreen.sa.gov.au
or call 13 20 50

You'll find us next to the
Streaky Bay Hospital
Flinders Drive, Streaky Bay

Book now!
