### DAYMAP PARENT PORTAL

We will continue to send an email with a link to families who have not registered as a reminder for parents to join the portal. Please be aware that the link expires after 24hrs. Please check your junk email if you do not receive these email links.

Thank you to all the families that have joined the Daymap Parent Portal. We will be using this as our online learner management system that incorporates parent/teacher interviews, student attendance and transitioning to other features throughout the year such as student absence, communication and messaging between parents & the school - we currently have communication & messaging turned off; however, in the future we will enable this, so this becomes the main communication tool.

**To be able to access these features you will need to join the Daymap Parent Portal.**

*Kind Regards*  
**Karen O'Reilly**  
*Deputy Principal*
