FROM THE PRINCIPAL'S DESK...

Hello everyone.

As we approach the end of this term, it's been truly inspiring to witness the wide range of activities and learning taking place in our classrooms. This term has been incredibly successful, marked by academic achievements, enriching

extracurricular activities, and a strong sense of community.

I'd like to take a moment to reflect on the many milestones and experiences we've shared. It's been a term full of learning, growth, and connection, and I couldn't be prouder of the dedication and resilience shown by everyone. We've started the year on a strong note, focusing on building a positive school culture and fostering connections, and we will continue to build on this as we move forward.

A heartfelt thank you to our students for their hard work, enthusiasm, and commitment. I also want to express my deep appreciation to our parents and carers for your ongoing support and collaboration. Together, we are creating a school environment where inclusivity and respect thrive, and your combined efforts have played a key role in shaping an enriching experience for our students.

ROAD SAFETY REMINDER

In recent weeks we have been informed about unsafe behaviour by students when riding to and from school. With the school holidays approaching we ask parents and caregivers to take the time to reinforce what it means to be a safe road user, including keeping as close as reasonably practicable to the left side of the road, wearing a helmet, paying attention to traffic, and stopping at crossings.

LAST DAY OF TERM 1

Reminder: Tomorrow, Friday 11 April is the last day of Term 1, 2.05pm dismissal.

SENIOR SCHOOL NEWS

Our senior school's student voice group is known as "Your Voice Matters" (YVM). This dedicated group of students meets at least fortnightly to discuss and implement initiatives that enhance the school experience for all.

This term, YVM has focused on fostering a sense of belonging within the senior school. They are exploring various activities for Years 10 to 12 to support this goal. Recently, three of our committed members—Sienna Williams, Chloe Foster, and Jessica Dunn—participated in an online student forum workshop. This event brought together 1,200 public school students to discuss the ongoing development of understanding the new education department strategy with a focus on the Learner Agency.

Key topics included:

- Learning Mode vs Performance Mode: Encouraging students to shift their focus from merely performing to truly engaging in the learning process.
- Student Impact Card Resource: Celebrating and activating this resource to empower student voices and actions.

Looking ahead, YVM members will continue to engage with a student network in Terms 2 and 3. This will allow them to learn with and from peers across the state, further exploring learning and performance modes within our school's context.

I am proud of our students' initiative and commitment to making a positive impact. Their support is invaluable as we continue to nurture a vibrant and inclusive school community.

As we approach the holiday break, I hope your child/ren enjoys a well-deserved rest, filled with fun and relaxation. We look forward to welcoming them back, refreshed and ready for new adventures in two weeks' time.

Kind regards,

Karen Box
