National Reconciliation Week 2025

National Reconciliation Week is held annually from **27 May to 3 June**, commemorating two significant milestones in Australia's reconciliation journey—the **1967 Referendum** and the **Mabo High Court decision**.

The theme for 2025 is "**Bridging Now to Next**", which encourages us to reflect on the past and work together toward a more united and equitable future.

At Streaky Bay Area School, we are committed to playing an active role in reconciliation. Through meaningful curriculum experiences and everyday classroom learning, we aim to build relationships and communities that value and respect Aboriginal and Torres Strait Islander peoples, histories, cultures, and futures.

Parents and Friends – Mother's Day Bake Sale & Raffle

A big thank you to our Parents and Friends Committee for organising the recent Mother's Day Bake Sale and Raffle. The event received overwhelming support from the community, with all proceeds going towards the continued development of our **Wellbeing Room**.

Thanks to your generosity, whether baking, donating raffle prizes, or purchasing items, we raised **over \$1,000!** Your support makes a real difference.

Positive Behaviour for Learning – Parent and Caregiver Feedback Invited

Our Governing Council has recently reviewed and revised the **Positive Behaviours for Learning Policy and Behaviour Matrix**, which has been developed following a comprehensive internal review by our staff in 2024.

This updated policy aligns closely with our school vision and values, outlining clear and consistent responses to student behaviour across five levels—from proactive strategies at Level 1 through to more formal responses at Level 5. It also clearly defines the roles and responsibilities of staff, leadership, students, and families.

We are now seeking feedback from parents and caregivers on the current **draft policy** before it is finalised by

FROM THE PRINCIPAL'S DESK...

Dear Families,

We extend our heartfelt thoughts and condolences to the families and friends of those affected by the tragic accident at Back Beach.

Our community has faced more than its fair share of sadness and

grief, and these recent events have deeply impacted many. We would also like to acknowledge the courage and compassion shown by bystanders, volunteers, and emergency services during such a difficult time. Thank you for your extraordinary efforts and support.

National Volunteers Week

During National Volunteers Week, we extend our heartfelt gratitude to all our dedicated volunteers, including governing council members, parents and friends, community mentors, breakfast program volunteers, and all parents and caregivers. Your invaluable contributions enrich our school community and make a significant difference in the lives of our young people.

Governing Council. The policy has been emailed today to all families and is also available on our website.

We welcome your input via email at:

tim.oreilly419@schools.sa.edu.au, or written feedback can be left at the school reception.

SENIOR SCHOOL NEWS

Focus on Metacognitive Strategies

In senior school, teachers are learning about and emphasising the importance of metacognitive strategies to help students become self-regulated learners. This focus aims to enhance students' ability to plan, monitor, and evaluate their learning processes, an area identified for improvement.

Traffic Lights Update

Traffic lights will be sent home this week. If you do not receive them via email, please contact the school to ensure you have the necessary information regarding your child's progress.

Year 11 Senior First Aid

Last week, the Year 11 class participated in a Senior First Aid course. This excellent opportunity is provided free of cost to our students, thanks to the generous support of the Streaky Bay and Districts Road Safety Group. This initiative was established following a tragic car accident involving students from our school many years ago. We are extremely grateful for the ongoing funding that makes this program possible.

Special Thanks

A special thanks to Ross McTaggart for organising the Year 11 and 12 bike ride to Port Lincoln this week. It was a mammoth effort. We also extend our gratitude to Tamara Schmucker and Lucas Mosey for accompanying him.

Kind regards,

Karen Box

YEAR SEVEN CLASS CAMP

May 12th-14th, 2025

Penong & The Far West -

Scotdesco, Point Sinclair & Blue Lake

Last week, our Year 7 students set off on an unforgettable adventure to Penong on the stunning Far West Coast. Surrounded by sandy beaches, warm sun and clear blue skies. Students spent their days swimming, fishing, paddle boarding, learning surf rescue skills, sandboarding, learning the craft of making surfboards, painting and artefact making. Whether in the water or on the sand, students threw themselves into every activity with enthusiasm and plenty of laughter. Camp was a fantastic chance for the kids to step outside their comfort zones, build their independence, continue to strengthen class culture and make memories they'll never forget! We are so proud of these kids, they were an absolute pleasure to have on camp. Mrs Skull, Mrs Montgomerie & Mr Redden.
